Ivan W. Rowland Scholarship Recipient 2013

By Christopher Won, Class of 2013

This past year I had the great honor of being awarded the Ivan Rowland scholarship by my fellow brothers. I have to express my gratitude to the Alpha Psi chapter for selecting me for this award. If it weren't for the brothers

of this chapter I would not have been the person I am today.

Throughout my 6 years as an active brother I gave it my full attention and gave my best efforts to better the chapter. I hope that every brother continues to put in their best efforts for the chapter and I will continue to lend a supporting hand.

This would not have been possible without the help of our alumni chapter and the scholarship foundation. I can't express my thanks enough to the foundation for their continued support. Through my tenure as an active brother Ralph Saroyan and Nam Nguyen were there to provide guidance so I could improve myself as a leader for the better of the Alpha Psi chapter. I only can hope to become a mentor for some of the younger brothers and provide the same guidance to them.

I will always come back to the chapter that gave me so much. In 2009 alumni Sonny Bains recommended me for my first job in a pharmacy with CVS. Now it is 4 years later and I am pharmacist for CVS. I can't express my appreciation for the numerous opportunities Phi Delta Chi has offered. When I first started striving to become a pharmacist I didn't want to be more than a simple pharmacist, but Phi Delta Chi has motivated me to be and do more. In the next few months I will become a pharmacy manager and have Phi Delta Chi to thank for pushing me to do more.

Upcoming Dates to put on your Calendars:

Giving Back to the Chapter

By AnneMarie Magnasco, Alpha Psi Worthy Alumni Liaison

At the Alpha Psi reunion of 2009, Brother Andrew J. Magnasco (Class of 85'), spoke about the foundation. His exact words to the graduating classes of the 80s were: "Whatever you pledge, I will match". He challenged his generation of brothers, feeling it was time for them to step up and finally give back to their family of brothers. Brother Magnasco's efforts led to **over \$20,000** being donated to the foundation. Reminiscing about his college years he enjoyed with the fraternity, Brother Magnasco figured that if he donated, it might make it easier for the next Phi Dex to share that same experience. It definitely has. The Alpha Psi Foundation has continuously supported many of our collegiate brothers in their educational and leadership development, generously awarding scholarships to promote academic success, community involvement, and leadership.

Collegiate brother Krystal Tai received the Roscoe Memorial Scholarship in 2012, a scholarship awarded to the pledge with the highest GPA from the semester of and the semester following pledging. She shares "The alumni have made a huge impact on each and every brother, including me. They have provided so much support and aid in many aspects such as precepting our healthfairs, taking care of the house, as well as scholarships. I know that the alumni will always be there for us and I plan on giving back to the fraternity when I reach that status as well".

The Foundation and our alumni's dedication to Alpha Psi distinguishes our chapter among other Phi Delta Chi chapters. It is easy to take pride in Alpha Psi with such unique support within our chapter and to know that our alumni have so much invested in Phi Delta Chi. Our alumni provide the collegiate brothers with a true example in emulating the fraternity motto: *Alterum Alterius Auxilio Eget*. "Each Needs the Help of the Other" and I look to one day uphold the tradition.
