Whitney Family Endowed California Scholarship

The Alpha Psi Education, Scholarship and Leadership Foundation would like to announce the addition of a new Name-Endowed scholarship thanks to the \$50,000 donation from Art Whitney and the Whitney family.

Art graduated from Pacific in 1973 and currently serves as a director on the Alpha Psi ES&L Foundation. He is the President and CEO of Pacific West Pharmacy, Inc. and President and CEO of Advantage Pharmaceuticals.

This scholarship will be awarded to a student from California with a strong interest in independent pharmacy practice.

MAX Award Winner 2013 on Giving Back

Vivian Lee

Vivian Lee received the MAX scholarship for the Class of 2013. She works at Walgreens pharmacy in the Stockton area and currently serves as a member of the Annual Senior Banquet committee.

When ask about the MAX scholarship, Vivian really appreciated that her fellow brothers recognized her efforts in supporting both the community and the chapter. She continues to support the Alpha Psi chapter by precepting actives at local community health fairs as they do blood pressure and glucose screenings.

Vivian wanted to be part of the Foundation and she found her place by joining the Foundation's Annual Senior Banquet committee. As the third years graduate this May, she can stress the importance of giving back after they leave Pacific. Vivian is a great example about how a small bit of your time can make a difference.
