## John F. Schlegel Endowed Leadership Scholarship

By Lanni Lam '20

Pictured: Priscilla Schlegel, recipient Gabby Reyes, and Jack Schlegel.

This year's John F. "Jack" Schlegel Endowed Leadership Scholarship was awarded to Gabby Reyes at Alpha Psi's 2017 Formal Rush Dinner. Gabby has displayed exceptional potential for leadership in the field of pharmacy after she graduates, and has shown exemplary behaviors as a professional in training. As the former Worthy Keeper of Records and Seals and Public Relations Chair, Gabby's leadership experience on the chapter's executive board gave her the confidence and fundamental skills she needed in her role as President of CSHP in pharmacy school. She always maintains a professional attitude, and her ability to strive for her goals is what ultimately led her to

becoming the final candidate for the scholarship. "I was surprised and at a loss of words when I won this award! I felt honored because I knew I was being considered among exceptional candidates in my class who aren't just leaders in the fraternity, but in the school of pharmacy and the profession as well." Gabby looks forward to becoming an alumnus in a few months, and she is excited to continue fostering brotherhood and leadership for the active chapter's future brothers and pharmacists.

## Recap: Super Bowl Raffle Outcomes

By Ed Larimer '69

Although we did not have a winner of a Grand Prize Super Bowl package, there were 44 other prizes and 3 of our buyers were winners. This is our 4th year of participating in the Super Bowl Raffle sponsored by the Community Foundation of San Joaquin and over those four years, the Alpha Psi Foundation has raised \$88,000 and had 15 winners, which also included one Grand Prize winner. On behalf of the Alpha Psi Foundation Directors, we thank all of the buyers of tickets for supporting our vision which helps "Creating Tomorrow's Leaders".

# Coming Soon: Leadership Development Workshops

By Lanni Lam '20

Alpha Psi's Diamond Jubilee dinner brought forward many contributions to further assist the active chapter's endeavors towards becoming leaders in the field of pharmacy. Among the numerous alumni who donated to support the chapter's continuous growth, Jack and Priscilla Schlegel have managed to set themselves apart with their outstanding generosity. With a donation of \$30,000, the Alpha Psi Foundation is proud to introduce "The Jack & Priscilla Schlegel Endowed Leadership Development Fund". Jack and Priscilla have always had a passion when it came to supporting the active chapter, and their fund will be dedicated to supplying annual leadership development workshops for all Alpha Psi actives, the first of which will take place on March 19th, 2017.

This fund will also aim to promote leadership training for all pharmacy students enrolled in the University of the Pacific Thomas J. Long School of Pharmacy and Health Sciences. The Foundation would like to extend their sincere gratitude to Jack and Priscilla for their charitable actions.

If you are interested in participating in the workshop on March 19th, please [contact](#) Michael Conner.

## Upcoming Events

# Departing Director Art Whitney

By Tina Le '14

On behalf of the Alpha Psi Education, Scholarship, & Leadership Foundation, I'd like to thank Art Whitney for his continuous contribution and support to the Foundation. He graduated from UOP in 1973 and was a Founding Director for the Foundation in 2008, and served as a Board Director until 2016, helping to foster the growth of pharmacy students. In 2014, the "Whitney Family Endowed California Scholarship" was founded after a generous \$50,000 donation, helping to award pharmacy students committed to independent pharmacy practice.

He is currently president and CEO of Pacific West Pharmacy, Inc., specializing in long term care. He is also president and CEO of Advantage Pharmaceutical's, a compounding only pharmacy specializing in bio-identical hormone replacement therapy and unique veterinary medications.

Thank you for everything  
Art!
