From our President and CEO Ed Larimer '69

Eleven years ago, the Alpha Psi Education, Scholarship and Leadership Foundation was established. Since then, we have presented 82 scholarships and currently \$8500 each year. We have a Leader Development program for both new candidates and active members of the chapter. We offer programs to help the New Practitioners navigate their new professional life. Today we have \$800,000 in our endowed fund and over \$100,000 in pledges. As you can see, we are just \$100,000 short of our \$1 million goal to endow our scholarships and programs in perpetuity. A

wonderful accomplishment in just 11 years due to **your support** to "Create Tomorrow Leaders".

Thank you to all of our brothers who have offered their support.

As you review your charity giving for end-of-the-year tax deductions, please consider us in your plans.
