In Memoriam - Jim Santa '75

The Foundation grieves the loss of our Brother.

Jim contributed to the Foundation's success as Fundraising and Stewardship Subcommittee Chair, setting the tone to "meet the goal" at our February Foundation Annual Meeting for our donation goal.

Aside from the Foundation, he practiced pharmacy for 45 years in various capacities. Jim was a loving husband, dad, grandpa, and brother. He made great apple pies from scratch, according to Ralph Saroyan '64! Jim also had a love for travel by motorcycle, taking road trips to Alaska and Glacier National Park, and enjoyed fast cars.

Jim is greatly missed.
