12-2023

Dear Brothers,

The Alpha Psi ES&L Foundation is excited to announce the establishment of the Mortar and Pestle Society. This Society will consist of Alpha Psi alumni who have indicated their intent to leave a bequest as part of their estate plan in the amount of \$25,000 or more to establish a scholarship. Once an alumnus notifies the Foundation of their intent, a gift agreement will be established that will indicate the name of the scholarship and what criteria will be used to grant the annual award. It is the goal of the Foundation to publish the names of the Founding Members of the Mortar and Pestle Society by the end of this year.

For more information and to find out how to proceed please contact Board President Ed Larimer at 209-612-0043 or by email ([elarimer@hotmail.com](mailto:elarimer@hotmail.com)). We look forward to your joining what we expect to be an elite group of alumni who chose to give back to the fraternity and school who contributed in an important manner to your career.

Fraternally,

*Edward Larimer*

Ed Larimer, President  
Alpha Psi Foundation

**We have set a date of 12-31-2023 to receive bequest commitments in order to be a Founding member of the Mortar and Pestle Society. After that date, a brother would be a member of the Society but would not be a founding member. As a reminder, all donations already made to the Foundation would count towards the \$25,000 established.**

This past year, we awarded 10 scholarships totaling \$14,000 and hosted 5 courses and webinars along with Leadership programs for our new candidates and current collegiates along with travel grants to Grand Council. It has been a year of great accomplishments.
