---

Dear Members of the Alpha Psi Foundation,

It is with great enthusiasm that I write to recommend Ben Dang for the John F. (Jack) Schlegel scholarship. As someone who has had the privilege of working closely as a P3 last year with Ben during his time as Worthy Assistant Correspondent for Phi Delta Chi, I can confidently attest to his exceptional leadership potential in the field of pharmacy.

In his role as Worthy Assistant Correspondent during his tenure, Ben demonstrated an unparalleled ability to lead and execute initiatives that benefited his fellow Phi Delta Chi brothers and the broader pharmacy community. One of his standout achievements was organizing a highly impactful residency showcase. This event provided invaluable resources and guidance for fellow brothers and students exploring post-graduation opportunities, reflecting Ben's foresight, organizational skills, and genuine commitment to the professional growth of his peers.

Beyond this, Ben excelled in his contributions to P3 Graduate Week. He took the lead in planning and executing a series of events that were both engaging and highly successful. From concept to completion, Ben ensured every detail was thoughtfully managed, earning praise for his meticulous planning and ability to bring people together. His exceptional fundraising efforts not only supported these events but also showcased his ability to strategize and rally support—an essential quality for future leaders in pharmacy.

What sets Ben apart is his ability to translate these organizational and leadership experiences into meaningful contributions that align with the evolving needs of the pharmacy profession. His aptitude for strategic planning, collaboration, and resource management has already made a lasting impact within our community, and I have no doubt that these qualities will continue to define his professional journey. Ben's vision and initiative are precisely what the pharmacy profession needs in its next generation of leaders.

In conclusion, I wholeheartedly endorse Ben for this scholarship. His proven track record of success, dedication to the field, and ability to inspire others make him an ideal candidate. I am confident that he will excel not only in his academic and professional pursuits but also in contributing to the advancement of the pharmacy profession.

Sincerely,

Phi-Nhat Tran, PharmD
