Other (indicate)

I hold membership in Phi Lambda Sigma, CSHP- Pacific, and Phi Delta Chi, and held elected positions in CSHP-Pacific as Fundraising Chair and in Phi Delta Chi as Philanthropy Chair and Worthy Assistant Correspondent. I have been actively involved in CSHP-Pacific not only with my elected position, but also through collaboration with my board members to host events that educate the student body on Health-System Pharmacy. I have also shown active involvement in Phi Delta Chi through my executive positions, recruitment of new members, collaboration with other Phi Delta Chi members in creating events, and fundraising money in support of St. Judes Children's Hospital.

Briefly describe any substantial professional or community activities (not mentioned above) in which you have been involved while attending pharmacy school. If possible, provide a contact person and phone number for each activity.

VN Cares Pacific Outreach (07/2023, 03/2024, 07/2024)

- Advisors: Myo Kyoung Kim, PharmD, EdD, BCPS and Miki Park, PhD
- I took part in the organization of outreach events that reached 336 patients and provided health screenings (blood pressure, diabetes, cholesterol, anemia, and mental health) to the San Jose and Sacramento community.

If you are in need of financial assistance, describe the circumstances that contribute to this need.

I am deeply committed to achieving my goal of becoming a licensed pharmacist and contributing meaningfully to the healthcare field. However, the financial demands of pharmacy school, including tuition, textbooks, and other academic expenses, present significant challenges. Despite my best efforts to manage my finances through part-time work, the costs associated with my education are substantial, and I am in need of additional financial support to continue my studies. Receiving financial assistance would allow me to focus more on my academic and extracurricular activities, including clinical experiences and leadership roles in pharmacy organizations, without the constant worry of financial strain. It would also help me to fully engage in opportunities that will enhance my professional development, such as attending conferences.
