

December 30, 2024

To whom it may concern,

In the time I have known Celeste, she has been a great role model and exemplified outstanding leadership capabilities in the field of pharmacy. Her passion and dedication to the profession have been demonstrated through her involvement in various leadership roles at University of the Pacific, California Society of Health-System Pharmacists (CSHP), and the Medicare Part D Elective. Through these positions, Celeste has showcased excellent time management, organization, and communication skills to assist with creating fundraisers, health fairs, and events. As a pharmacy intern at CVS, Rho Chi tutor, and CAPSLEAD ambassador, Celeste has displayed additional commitment to the pharmacy profession through her research, teaching, and time spent with patients in the community practice setting.

Upon becoming a brother of Phi Delta Chi, Celeste has also set an impressive example for incoming brothers and her peers. Her professionalism, dependability, and ability to easily work with others have made her a great asset to the fraternity. Celeste has held, not only one, but two positions on the Alpha Psi executive board which she excelled in. I am confident she will continue to give back to the fraternity and be successful in future leadership positions as she grows in her career.

Upon graduation, Celeste will continue to utilize her strengths to serve as an excellent leader and positive influence in the pharmacy profession. Her hard work, dedication, and enthusiasm for pharmacy are shown through the roles and responsibilities she has held thus far, and I believe these qualities make Celeste Medina an excellent candidate for this award.

Sincerely,
Erica Chang, PharmD
