

Alpha Psi Foundation Leadership Development - New Practitioners Subcommittee 2025 Action Plan

Purpose

To develop and deliver leadership development programs for students, new practitioners, and alumni in pharmacy.

Priorities

- Sustainability: Ensure a steady pipeline of trained facilitators for future programs.
- Growth: Foster leadership at every career stage—from students to new practitioners.
- Engagement: Create strong connections through networking and collaboration.

Mission

To offer high-quality leadership development opportunities, creating the next generation of leaders in pharmacy.

Goals for 2025

Host Webinars

- Goal: Host 3-4 webinars throughout the year.
- Action: Survey potential participants at the start of the year to determine their interests and tailor the content accordingly.
- Incentive: Offer gift card raffles to encourage participation and engagement.

Recognize Speakers

- Goal: Honor speakers with personalized gifts after each webinar.
- Action: Create a small budget for speaker gifts to express appreciation.

Engage Alumni

- Goal: Keep alumni involved and informed.
- Action: Distribute flyers to alumni, sharing ways they can stay active and connected with the foundation.

Increase Recognition & Partnerships

- Goal: Strengthen the committee's visibility as a key leadership organization.
- Action: Explore opportunities to partner with UOP to host leadership talks or workshops in the future.

Evaluation

- Surveys & Feedback: After each webinar, collect feedback to measure audience satisfaction and adjust future content.
- Annual Review: Conduct a review at the end of the year to assess progress and set goals for the following year.
