7. 2023 Foundation Annual/Board Meeting – Preparation. (Larimer)

President Larimer reminded the Board that the major focus of this meeting is on short- and long-term planning, updating the 3-year Strategic Plan based on decisions made, and developing the 2023 Budget based on these decisions.

Preparation for this meeting by all committee chairs is essential by taking the following steps:

- A. Please convene a meeting with your **committee** to assure mutual understanding of your **charge**, and brainstorm ideas for how your committee can fulfill your charge, including additions or changes to the current program. If you want to use the Foundation Zoom, please let me know so I can provide the passwords. Do not spend time creating an Action Plan, since it is by way of the Board discussion that actual decisions will be made as to how your committee will fulfill your charge. You will, however, be asked to prepare and submit your committee’s Action Plan immediately following the February 12th meeting. See attached Committee Charges.
- B. If not already provided, please review your committee members names, emails and year of graduation by Tuesday, **January 17th, 2023.**

C. Restructuring Plan (Larimer-see 2 attachments)

A large part of the Annual Meeting will be devoted to developing a Succession Plan for the President, now and in the future. I have attached two documents developed to reflect a Restructuring of the Foundation and Committee Charges. We are not going to spend time at this meeting with discussion but instead I want each and every Board Member to review and be ready to provide thoughtful comments for the future and success of the Foundation at the Annual Meeting. As the original founders slowly bow out of the leadership; it is time to initiate the change for a successful future.

8. Appointment of 2023 Committee Chairs & Charges (Larimer – see attached)
President Larimer will review the attached document proposing committee chairs and committee charges

Board action: Motion by _____, second by _____ to approve the appointment of all committee chairs and committee charges, as noted in the attached document. (Document is appended to these minutes, as is the 2023 Roster of BOD members and Committee Roster).
